The consulting services (“the Services”) include providing better means for policy and planning coordination as well as enhance performance, output, and outcome of the project. The duration of services will be 120 calendar days. The tasks of Consulting Services are as follows:

- a) Reduction in the number of dams at high risk based on the modified ICOLD risk analysis scale
- b) Increase the safety and the functionality with respect to bulk water supply of large Government-owned reservoir
- c) Strengthen then safety and operational management policies, regulations, and administration capacity of MPWPH
- d) Restored safety, operational performance, and economic life of approximately 140 large dams
- e) DGWR Dam Portfolio Management Program Established
- f) Strengthened national dam safety institutions

The Working Group II of BAPPENAS now invites eligible consulting firms (“Consultants”) to indicate their interest in providing the Services. Interested Consultants should provide information demonstrating that they have the required qualifications and relevant experience to perform the Services. The short listing criteria are: description of similar assignments, experience in similar conditions, and qualification and competency of key personnel.

The attention of interested Consultants is drawn to paragraph 1.9 of the World Bank’s Guidelines: Selection and Employment of Consultants by World Bank Borrowers published by the Bank in May 2004 and revised in October 2006 and May 2010 (“Consultant Guidelines”), setting forth the World Bank’s policy on conflict of interest. In addition, please refer to the following specific information on conflict of interest related to this assignment: Bank policy requires that consultants provide professional, objective, and impartial advice and at all times hold the client’s interests paramount, without any consideration for future work, and that in providing advice they avoid conflicts with other assignments and their own corporate interests. Consultants shall not be hired for any assignment that would be in conflict with their prior or current obligations to other clients, or that may place them in a position of being unable to carry out the assignment in the best interest of the Borrower.

Consultants may associate with other firms in the form of a joint venture or a sub consultancy to enhance their qualifications.

A Consultant will be selected in accordance with the CQS method set out in the Consultant Guidelines.
