**SPECIFIC PROCUREMENT NOTICE**  
**Personnel Recruitment Services for MCA-Indonesia**

The Republic of Indonesia ("*Indonesia*") has been declared eligible for a poverty reduction grant from the Millennium Challenge Corporation ("*MCC*"), a United States government agency. In connection therewith, the Government of the Republic of Indonesia (the "*Government*" or "*GOP*") submitted a proposal to MCC that resulted in a Compact signed on November 19, 2011, between the Government and MCC pursuant to which MCC committed to provide a five year, multimillion dollar poverty reduction grant to the Government of the Republic of Indonesia (a "*Compact*"). The Government intends to use a portion of the funds provided through the Compact to fund professional recruitment services from a firm/organization ("*Consultant*") to assist with the recruitment of some key-staff positions for Indonesia's Accountable Entity, also known as the Millennium Challenge Account – Indonesia (MCA-I), who will be responsible for implementing the Compact on behalf of the Government.

**KEMENTERIAN NEGARA PERENCANAAN PEMBANGUNAN NASIONAL REPUBLIK INDONESIA/BAPPENAS RI**, acting on behalf of the Government until the MCA-Indonesia is fully established, now invites proposals to provide Personnel Recruitment services. More details on the procurement process and the scope for these consultant services are provided in the Request for Proposals ("*RFP*").

Moreover, Government-owned Enterprises (GOEs), as defined in Part 14 of MCC Program Procurement Guidelines, are not eligible to compete for MCC-funded contracts.
