**KERANGKA ACUAN KERJA
PENGADAAN PERALATAN KANTOR KEGIATAN MIS PNPM MANDIRI
TAHUN ANGGARAN 2014**

A. LATAR BELAKANG

PNPM Mandiri adalah program nasional dalam wujud kerangka kebijakan sebagai dasar dan acuan pelaksanaan program-program penanggulangan kemiskinan berbasis pemberdayaan masyarakat. Melalui PNPM Mandiri dirumuskan kembali mekanisme penanggulangan kemiskinan yang melibatkan unsur masyarakat, mulai dari tahap perencanaan, pelaksanaan, hingga pemantauan dan evaluasi. Sehingga diharapkan akan menumbuhkan partisipasi, kesadaran kritis dan kemandirian masyarakat dalam upaya penanggulangan kemiskinan.

Sejak diluncurkan tahun 2007, lokasi dan alokasi pendanaan PNPM Mandiri terus diperluas dan ditingkatkan. Bahkan pada tahun 2009, lokasi PNPM Mandiri meliputi seluruh kecamatan di Indonesia. Dengan skala yang demikian besar, baik dari sisi cakupan wilayah maupun dana yang dikelola, PNPM Mandiri memerlukan mekanisme monitoring dan evaluasi yang kuat untuk memastikan bahwa program ini berjalan tepat sasaran. Salah satu alat yang digunakan adalah dengan membangun Sistem Informasi Manajemen Terpadu (SIMPADU) PNPM Mandiri yang handal, interaktif, dengan data yang lengkap dan terpercaya.

Selama ini, Sistem Informasi Manajemen (SIM) PNPM Mandiri dikelola oleh masing-masing program dan tidak saling terhubung satu dengan lainnya. Kondisi ini sangat menyulitkan untuk memantau perkembangan pelaksanaan PNPM Mandiri secara keseluruhan. Dengan mengkonsolidasikan dan mengintegrasikan seluruh SIM masing-masing program PNPM Mandiri, SIMPADU PNPM Mandiri merupakan jawaban terhadap permasalahan tersebut

Pekerjaan pembangunan SIMPADU PNPM Mandiri dimulai dengan melakukan konsolidasi dan integrasi data dari masing-masing SIM program PNPM Mandiri menjadi satu data warehouse melalui aplikasi Extract, Transfer, Load (ETL). Dengan memperhatikan tingkat kesiapan data yang ada, saat ini data yang sudah diolah dan dimasukkan ke dalam sistem adalah data PNPM Perkotaan dan PNPM Perdesaan untuk tahun pelaksanaan 2007 – 2009. Tim SIMPADU PNPM Mandiri akan terus melakukan pemutakhiran data secara berkala, termasuk data PNPM Mandiri lainnya dan PNPM Penguanan.

Data yang ditampilkan dalam SIMPADU PNPM Mandiri adalah data keluaran program, diantaranya usulan kegiatan hasil perencanaan masyarakat, realisasi kegiatan, realisasi dana, organisasi masyarakat yang terbentuk, dan lain sebagainya. SIMPADU ini juga dilengkapi dengan Geographic Information System (GIS) yang memungkinkan pengguna untuk melakukan analisa spasial secara jauh lebih mudah.

Dalam konteks pelaksanaan PNPM Mandiri, SIMPADU merupakan satu bentuk perwujudan prinsip transparansi dan pertanggungjawaban publik atas pemanfaatan dana pembangunan. Selain itu, adanya SIMPADU ini diharapkan akan mendorong terjadinya pengawasan publik yang lebih efektif dalam memastikan PNPM Mandiri berjalan tepat

sasaran. Dengan kelengkapan informasi yang dimilikinya, SIMPADU PNPM Mandiri diharapkan juga dapat menjadi salah satu baseline bagi pemerintah, baik pusat maupun daerah, dalam menyusun perencanaan pembangunan menjadi lebih baik dan lebih tepat sasaran. Itulah alasan strategis mengapa SIMPADU PNPM Mandiri ditempatkan di Bappenas.

Pada akhirnya, dengan adanya SIMPADU PNPM Mandiri ini diharapkan pelaksanaan PNPM Mandiri khususnya dan pembangunan nasional pada umumnya akan dapat berjalan lebih baik lagi, dengan partisipasi masyarakat dan pihak peduli lainnya yang semakin besar dan signifikan

Untuk itu, Direktorat Penanggulangan Kemiskinan, Kedeputian Bidang Kemiskinan, Ketenagakerjaan dan UKM sejak TA 2011 dibentuk Sekretariat MIS PNPM Mandiri yang berkantor di Jl. Jeruk No. 3 Menteng, Jakarta Pusat.

Dalam rangka pelaksanaan tugas dan fungsi Sekretariat MIS PNPM Mandiri serta Optimalisasi Direktorat Penanggulangan Kemiskinan diperlukan pengadaan barang guna mendukung operasional perkantoran sekretariat serta pemda pilot project.

Pada tahun 2012 dan 2013, MIS PNPM Mandiri telah melakukan pengadaan server provinsi untuk 13 provinsi pilot project dan Tahun 2014 akan dikembangkan menjadi 20 Provinsi Pilot Project, seperti pada tabel berikut :

No.	Provinsi		
	Tahun 2012	Tahun 2013	Tahun 2014
1	Sumatera Barat	Sumatera Selatan	Aceh
2	Gorontalo	Bangka Belitung	Sumatera Utara
3	Nusa Tenggara Barat	Jawa Tengah	Riau
4	Banten	Bali	Jambi
5	Lampung	Yogyakarta	Bengkulu
6		Kalimantan Barat	Kepulauan Riau
7		Kalimantan Tengah	Jakarta
8		Sulawesi Utara	Jawa Barat
9			Jawa Timur
10			Nusa Tenggara Timur
11			Kalimantan Selatan
12			Kalimantan Timur
13			Sulawesi Tengah
14			Sulawesi Selatan
15			Sulawesi Tenggara
16			Sulawesi Barat
17			Maluku
18			Maluku Utara
19			Papua
20			Papua Barat

Server tersebut berfungsi untuk menunjang kualitas data di SIMPADU PNPM Mandiri Pusat, sekaligus peningkatan capacity building pemda mengenai MIS monitoring dan evaluasi Program Penanggulangan Kemiskinan di Daerah. Selain itu Pemerintah Pusat pun bisa menganalisis dari Data SIMPADU Provinsi yang memiliki Program Penanggulangan Kemiskinan Daerah.

C. SASARAN

Sasaran dari pelaksanaan kegiatan ini adalah agar data-data kemiskinan di provinsi dapat dimasukkan dalam server dan ditampilkan dalam aplikasi berbasis web yang dapat dipake oleh pemerintah daerah maupun pusat dalam hal monitoring dan evaluasi sebagai acuan perencanaan selanjutnya.

D. WAKTU

Pengadaan peralatan perkantoran dan server provinsi ini dilaksanakan pada bulan April 2014
